Keep the momentum going over vacation with *i-Ready*®!

Your student can continue their learning over vacation using their personalized learning pathways in *i-Ready*. They just need a computer, internet access, and Adobe® Flash Player. To check if your system meets *i-Ready* requirements, please visit i-ready.com/support.

The *i-Ready* team takes the security of student data very seriously. As a result, we go to great lengths to protect student information. Below you will see an *i-Ready* login card that has been supplied by your student's teacher. This login card provides instructions for how to log in to *i-Ready* from home. You will notice that your student's password is not included due to privacy concerns. Your student's teacher may have included a password hint to help your student remember their individual password. If your student still cannot remember their password, please contact your student's teacher.

i-Ready® Login Information

Student Name

- 1 Go to login.i-ready.com
- 2 Enter **username**
(not case sensitive)
- 3 Enter **password**
Your student's
password hint is:
- 4 Select **state** from
the dropdown menu
- 5 Click **Go!**
